

Build a Better World

Children's Summer Reading Program

How to Play:

- During the 8 week program, children will read, or be read to, for 18 hours and participate in 8 activities. Upon completion, children will receive a brand new book and a custom designed t-shirt!
- Keep track of your reading time and activities by coloring in symbols on your reading log (each LEGO = 30 minutes of reading, and puzzle pieces represent activities).
- Visit the library throughout the summer and enter weekly raffles!

June 17-August 12
