

Mr. & Mrs. Fish!

Kick off the Summer Reading Program with an exciting journey into the ocean with Mr. & Mrs. Fish! This dynamic duo has it all: Costumes, sea creatures, fun ocean facts, and enough humor to keep you laughing the whole hour long. In fact, it's so unbelievably fun that you may suspect there's something *fishy* going on!

This year's show:

Where does waste water go?

Learn how waste water treatment plants help build a better world!
